

Giver

The Suffers

Let me light your cigarette
And lay your shoes down by the door
I'll show you all the love you need
Isn't that what you came here for?
Let me just massage your back
I'll run my fingers through your hair
And show you all the love you need
And rid your worries while I'm there 'Cause I'm a giver
Hey, heeey baby
I'll be your giver
Ohhh Let me take away the pain
Those girls before me may have caused
Bringing joy into your life
Cause baby you should have it all
Let me just be where you are
I'm pretty sure it's where I fit
And you ain't no hassle baby
Cause boy you it's on need Cause I'm a giver
Oh ohhh baby
I'll be your giver
Oh ohhhh baby yes
I'll be your giver
Was she your giver
What do you need
What do you need
Whatchu need?
I'll be your giver
Was she giver?
I am your giver (instrumental) Anything, anything you lack
I'll be your giver
Was she your giver
What do you need, what do you need, whatchu need I am your giver
I've been your giver
Cause anything, anything you lack
I say yes! I say yes! I say yes! I say yes!
I say ye-ye-ye-ye--yes
ye-ye-yeah, ye-ye-yeah I'll be your giver
Was she your giver
What do you need

What do you need
Whatchu need?
I'll be your giver
Was she giver?
I am your giver But does she take them?
Does she take them?
All of your problems baby?
(repeat x 2) Because I did, I did, I did, I did, I gave you all you needed baby (x2)
