Deeper

Delirious?

I want to go deeper but I don't know how to swim
I want to be meeker but have you seen this old earth?
I want to fly higher but these arms won't take me there
I want to be, I want to beMaybe I could run
Maybe I could fly to you
Do you feel the same
When all you see is blame in me?And the wonder of it all is that I'm living just to fall
More in love with you
And the wonder of it all is that I'm living just to fall
More in love with youI want to go deeper but is it just a stupid whim?
I want to be weaker, be a help to the strong
I want to run faster but this old leg won't carry me
I want to be, I want to beMaybe I could run
Maybe I could fly to you
Do you feel the same
When all you see is blame in me?And the wonder of it all is that I'm living just to fall
More in love with you
And the wonder of it all is that I'm living just to fall
More in love with youMaybe I could run
Maybe I could follow
It's time to walk the path
Where many seem to fallHold me in your arms just like any father would
How long do we have to wait?
How long, we're going all the wayAnd the wonder of it all is that I'm living just to fall
More in love with you
