

Hey Laurie Dann

Macabre

Hey Laurie Dann where ya going
With those guns in your hand?I'm going round to shoot young children
I just can't cope with the world were inHey Laurie Dann I heard you shot
Those young children downYes I did, I shot 'em
You should have seen them hit the groundI took my guns and I shot 'em
Hey Laurie Dann where ya gonna run to now?I'm going to a house that's not too far awayI'm gonna shoot one
more
Then take my own life away
