

Queen's Speech 4

Lady Leshurr

I hold it down like a Snapchat
Go over your head like a snapback
Uploaded a pic double tap that
And your flows so old Grandad, bruh
Its just banter
I'm way to much like a black cab
(Oi boss)
Why ya Snapchatting in the club for?
Just dance man
Like yo famalan you fam yo famalan
Aint no gyal badder than
I'm on the roads caravan
Let me do this fast Ramadan
Cause its goin down avalanche
I'm gonna keep it short paragraph
Queen Lesh, Imma reign anorak
Take it off Israel Nazareth
Oh Jesus oh lord oh Jesus
A couple of snakey friends just Adam and Eved us
And theres no debate on whose better come on
I can turn a man to a girl like Bruce Jenner
i shell down the dance like braaaaa
Mi bruck down the dance like braaaaa
dudududu, dudududu
i be the one they love, i be the don
they know where im from
01 to the 21, yo bredrin
where has your hairline gone?
i cant belive it i cant belive the cheek
some girls wake up and dont even brush their teeth
thats a dead ting
thats a bad breath ting
how could you call my name and you aint even brushed your teeth
Brush your Teeth x10
