

# Dead Again

Ricky Koole

One, two, three, four  
Yeah  
Come on  
Comin' on, comin' on, movin' faster  
Got to get this feelin' out yeah  
Yeah  
Just enough fall again, she was fire  
Hot enough to burn you out yeah  
Alright  
Wait for me darlin'  
I can't wait to see you  
Everyone's losin' their mind again, mind again Honey  
On again, off again, indecisive  
Caught up in bold desire  
Yeah  
Fill me up with the cup you are lovely  
Paint the town the color of money  
Alright  
Wait for me darlin'  
I can't wait to see you  
Everyone's losin' their mind again  
Don't fall in love that's the line they will feed you  
If I can't have you I'll be dead again, dead again  
  
Alright  
Come on, yeah  
Yeah  
Alright  
Wait for me darlin'  
I can't wait to see you  
Everyone's losin' their mind again  
Don't fall in love that's the line they will feed you  
If I can't have you I'll be dead again, dead again  
Wait for me darlin'  
I can't wait to see you  
Everyone's losin' their mind again  
Don't fall in love that's the line they will feed you  
If I can't have you I'll be dead again, dead again  
Dead again

Dead again  
Dead again  
Dead again, dead again  
Dead again  
Dead again  
Dead again  
Dead again, ahh, dead again
