Hmmm

Madame RÃ©camier

Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
Miss my granny
No one else in the world really understands me
Emotions grab me
And I find myself on the plane to Miami
To feel that sunshine
Be closer to the water, cry one more time
Sippin' on Patron
All my pain, my worries are gone
Then my phone rings
Should I pick it up and go back to reality?
Or should I just stay
Live in my fantasies one more day?
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(And if I die tonight it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(I'm gonna be alright, it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(And if I die tonight it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(I'm gonna be alright, it's alright)
Kiss my granddad
No homo just know he's so sad
Lost his best friend
And nobody saying I'm sorry is gonna help him
Feel like smokin'
Gotta get away from this heart that's broken
Drop top rollin'
On my way to heaven or to hell which ever's open
Then my phone rings

Should I pick it up and go back to reality?
Or should I not move, bury all my sorrows
And nobody will know the full moon?

Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(And if I die tonight it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(I'm gonna be alright, it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(And if I die tonight it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(I'm gonna be alright, it's alright)
Life is so confusing
Nothing makes sense at all
Why is this an enemy?
What am I doing wrong?
Why am I hesitating?
Everybody's telling me to be patient
Why do I feel like time is wasting?
Gotta figure out what God is saying
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(And if I die tonight it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(I'm gonna be alright, it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(And if I die tonight it's alright)
Hmmm
Hmmm, hmmm, hmmm, hmmm, hmmm
(I'm gonna be alright, it's alright)
...
