

# Just In Time

**Barbra Streisand**

Just in time  
I found you just in time  
Before you came my time  
Was running low  
I was lost  
The losing dice were tossed  
My bridges all were crossed  
Nowhere to go

Now you're here  
And now I know  
Just where I'm going  
No more doubt or fear  
I've found my way  
For love came just in time  
I've found you just in time  
And changed my lonely life that lucky day
