

# Moving Too Fast

## Hadley Fraser

Give it a chance  
We can love again

In my crazy world  
I gave you everything you wanted, babe  
You said you loved me  
I said I loved you too  
Even in the craziest times  
When we fault, we made love  
I held you closely  
You opened up your heart to me

Time after time we dealt with it  
This time I know we'll see it through  
You'll always be the one for me  
Baby girl, I'm feeling you  
Time after time we dealt with it  
This time I know we'll see it through  
You'll always be the one for me  
Baby girl, I'm feeling you

[Chorus]  
Ooo, ooo we're moving too fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
Is all the things of the past  
Give it a chance  
We can love again

We can work it out  
We can work it out

Don't be hasty, girl  
'Cause when I'm gone, you'll miss me  
Don't try to push me  
'Cause you are my baby boo  
Tell me what I've done  
To make you feel uneasy  
'Cause I'm falling for you

I raise my hand; I'm guilty

Time after time we dealt with it  
This time I know we'll see it through  
You'll always be the one for me  
Baby girl, I'm feeling you

[Chorus]

We can work it out  
We can work it out  
Give it a chance

No matter what you say  
Or what you do  
The time has come  
For us to see this through  
No matter what you say  
Or what you do  
The time has come  
For us to see this through

[Chorus]

We can work it out

[Chorus]

We can work it out  
We can work it out

## Give it a chance

We can love again (love again)

Give it a chance

We can love again (love again)

Give it a chance

We can love again (love again)

Give it a chance

We can love again (love again)

Give it a chance

We can love again (love again)

Give it a chance

We can love again (love again)

Give it a chance

We can love again (love again)

Give it a chance.

We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)
