

# Nobody's Listening

## Brazos

Yo, peep the style and the kids checking for it  
The number one question is how could you ignore it  
And drop right back in the cut over basement tracks  
Rap stack got you back in the sub black rewind thatWe just rolling with the rhythm  
Rise from the ashes of stylist division  
With these non-stop lyrics of life living  
Not to be forgotten but still unforgivingBut in the meantime there are those  
Who wanna talk this and that  
So I suppose that it gets to a point where feelings gotta get hurt  
And get dirty with the people spreading the dirt it goesTried to give you warning but everyone ignores me  
Told you everything loud and clear, but nobodys listening  
Called to you so clearly but you dont want to hear me  
Told you everything loud and clear, but nobodys listeningI got a heart full of pain, head full of stress  
Handfull of anger, held in my chest  
And everything lefts a waste of time  
I hate my rhymes, but hate everyone elses moreIm riding on the back of this pressure  
Guessing that its better I cant keep myself together  
Because all of this stress gave me something to write on  
The pain gave me something I could set my sights onI'll never forget the blood sweat and tears  
The uphill struggle over years the fear and  
Trash talking and the people it was to  
And the people that started it just like youTried to give you warning but everyone ignores me  
Told you everything loud and clear, but nobodys listening  
Called to you so clearly but you dont want to hear me  
Told you everything loud and clear, but nobodys listeningI got a heart full of pain, head full of stress  
Handfull of anger, held in my chest  
Uphill struggle, blood sweat 'n' tears  
Nothing to gain, everything to fearHeart full of pain, head full of stress  
Handfull of anger, held in my chest  
Uphill struggle, blood sweat 'n' tears  
Nothing to gain, everything to fearHeart full of painTried to give you warning but everyone ignores me  
Told you everything loud and clear, but nobodys listening  
Called to you so clearly but you dont want to hear me  
Told you everything loud and clear, but nobodys listeningI got a heart full of pain, head full of stress  
(Nobodys listening)  
Handfull of anger, held in my chest  
(Nobodys listening)  
Uphill struggle, blood sweat n tears  
(Nobodys listening)

Nothing to gain, everything to fear  
(Nobodys listening)
