

# Good As It Gets

Cody Simpson

Here's what it is  
As good as it gets  
I know you won't believe this kind of loving  
You really need this kind of loving Stop making me run around  
Stop making me chase you girl  
I've been running all over town for ya  
But I'm getting impatient girl Baby I keep it real with you  
I'm head over heels for you  
So stop (stop) making me run around  
making me run around You always rocking the finest  
Stay looking good girl  
Shine like a diamond  
You know if I could girl I'll take you everywhere  
Show you I really care  
Well I'm give it to you straight away  
I'm put it out there Here's what it is  
As good as it gets  
I know you won't believe this kind of loving  
You really need this kind of loving Here's what it is  
As good as it gets  
I know you won't believe this kind of loving  
You really need this kind of loving Stop playing hard to get  
I know I can make you fall  
With time baby I bet  
I'll be breaking down your wall I know that you heard it all  
But what I'm saying is more than talk  
So stop making me run around  
making me run around Bet you get hundreds of offers  
About every day girl  
A lot of smooth talkers  
All in your face girl But we make the perfect pair  
Show you I really care  
Well I'ma give it to you straight girl  
Gonna put it out there Here's what it is  
As good as it gets  
I know you won't believe this kind of loving  
You really need this kind of loving Here's what it is  
As good as it gets  
I know you won't believe this kind of loving

You really need this Everything that I promise you girl  
Baby I will deliver that yeah  
If I put you in my world  
I'll put you right in the center yeah I promise I'm going to change your life  
You'll like it if you give me a try  
If you give me a try  
A try The simple things  
We always forget  
(something I can't figure out)  
to settle for less I can't figure out what  
Comes between here  
And the  
Chorus :D Here's what it is  
As good as it gets  
I know you won't believe this kind of loving  
You really need this kind of loving Here's what it is  
As good as it gets  
I know you won't believe this kind of loving  
You really need this kind of loving
