

Tonight the Streets Are Ours

[Richard Hawley](#)

Do you know why you got feelings in your heart?
Dont let fear of feeling fool you
What you see sets you apart
And theres nothing here to bind you
Its no way for life to startDo you know that tonight the streets are ours?
Tonight the streets are ours
These lights in our hearts they tell no liesThose people they got nothing in their souls
And they make our TVs blind us
From our vision and our goals
Oh, the trigger of time it tricks you
So you have no way to growBut do you know that tonight the streets are ours?
Tonight the streets are ours
These lights in our hearts they tell no liesAnd no one else can haunt me
The way that you can haunt me
I need to know you want me
I couldnt be without you
And the light that shines around youNo nothing ever mattered more than not doubting
That tonight the streets are oursDo you know how to kill loneliness at last?
Oh, theres so much there to heal dear
And make tear stains of the pastBut do you know that tonight the streets are ours?
Tonight the streets are ours
These lights in our street are oursTonight the streets are ours
These lights in our hearts they tell no lies
