

Over

Viktor KirÅly

There are times when I think
Of what weâ€™ve had
Silly faces of me when you felt bad
Go on bed I will whisper that Iâ€™ll never leave your side
Laying back on the couch where we got hold
Turning on our favorite TV show
Now Iâ€™m sitting alone
Cause youâ€™ve walked out of my life

And now that youâ€™re gone
And that youâ€™re never coming back
This is o-o-over o-o-over
Iâ€™ve seen you go
I think that youâ€™re gone
Think that youâ€™re never coming back

This is o-o-over o-o-over
See you are gone

What we wrong I donâ€™t know
But itâ€™s too bad
Itâ€™s too late now to think of what we had
I should have pay more attention
To the secrets youâ€™ve told me

Yeah
You came back when you were walking through the door
See your beautiful face once more
Let me know now
What Iâ€™ve be missing too much

Now that youâ€™re gone
And that youâ€™re never coming back
This is o-o-over o-o-over
Iâ€™ve seen you go
I think that youâ€™re gone
Think that youâ€™re never coming back

Baby now I know what I feel for you
I guess itâ€™s true what itâ€™s said about the disillusion

And now Iâ€™m begging please,
Right here on my knees
Donâ€™t go!

Baby now I know what I feel for you
I guess itâ€™s true what itâ€™s said about the disillusion
And now Iâ€™m begging please,
Right here on my knees
Donâ€™t go!

Now that youâ€™re gone
Think that youâ€™re never coming back
This is o-o-over o-o-over
Iâ€™ve seen you go
I think that itâ€™s over
Seen you gone

A flash and youâ€™re gone
