Foolish

Sunny Side Up

(D. Dickers)
I should have known it was wrong all along
from the moment you turned me on
but I was afraid to come out of the darkness
You wanted to be a material girl
but you're a stranger to this world
and you're much too young to resist me
Well, do you think I'm foolish
because I'm square
do you think I'm funny
you better beware
and if you think I'm crazy
you better think twice
I'm a fool in a fool's paradise
Living in style was your only concern
while you let my spirit burn
until the day you decided to leave me
Everyone says I was out of your league
but I claim to disagree
you were just too blind to see
I'm the one you need
Well, do you think I'm foolish
because I'm square
do you think I'm funny
you better beware
and if you think I'm crazy
you better think twice
I'm a fool in a fool's paradise
It was just a chemical reaction I suppose
sometimes you win, sometimes you lose
that's how the story goes
