All The Best

John Prine

I wish you love and happiness
I guess I wish you all the best
I wish you don't do like I do
And ever fall in love with someone like youCause if you fell just like I did
You'd probably walk around the block like a little kid
But kids don't know they can only guess
How hard it is to wish you happinessI guess that love is like a Christmas card
You decorate a tree you throw it in the yard
It decays and dies and the snowmen melt
Well I once knew love I knew how love feltYeah I knew love love knew me
And when I walked love walked with me
And I got no hate and I got no pride
Well I got so much love that I cannot hideSay you drive a Chevy say you drive a Ford
You say you drive around the town till you just get bored
Then you change your mind for something else to do
And your heart gets bored with your mind and it changes youWell it's a doggone shame and it's an awful mess
I wish you love I wish you happiness
I wish you love I wish you happiness
I guess I wish you all the best
