Sacramento

Milhouse

I can't help but feeling that love
Is always dealing me a losing hand
California's sleeping and you've got me weeping
I am just a man, I'm just a man, I'm just a manStanding at the airport
She is just a cohort coffee in her hand
Sacramento's breathingAnd I can't help believing you don't understand
Don't understand, I'm just a man
Don't understand, I'm just a manCalifornia's sleeping and you've
Got me weeping and I am just a man
I can't help but feeling that love
Is always dealing me a losing hand
My losing hand, I'm just a manStanding at the airport
She is just a cohort coffee in her hand
Sacramento's breathing and I can't help believingConscious of my losing hand, my losing hand
My losing hand, don't understand
My losing hand, don't understandCalifornia's sleeping and you've
Got me weeping and I am just a man
I can't help but feeling that love
Is always dealing me a losing handMy losing hand, my losing hand
Don't understand, my losing hand
Don't understand, my losing hand
Don't understand, don't understand
Don't understand
