

# I Wanna Talk to You

## Xrealm

M-m-m-m-m-m-m-m-m-m-m-m-m-m-m

Lord, Lordy, Lordy

Standing here on my own side

Waitin' Fo' the floor

Your world's movin' fast

But still ends up a bore

Come on give me a little room na

Do you have to take it all

Yeah that's the way it is I guess

Then you're born with nothin' at all

Uh- Uh- Uh- Uh- Uh- Uh- Uh

I wanna talk to you

I wanna talk to you

Hey boy don't feel my world's untrue

Yeah, I wanna talk to you

My world can be true

I wanna talk to you

Pick up my life at the table

Read about the way I could be

But I know I just ain't able

So I read about the real me

Who can I blame

For the way I am

I ain't never had one soul to help me

So I don't give a

Uh- Uh- Uh- Uh- Uh- Uh- Uh

Watch that boy, watch that

I heard you thinkin'

I wanna talk to you

I wanna talk to you

Don't feel my world's untrue

Yeah, boy I wanna talk to you

My world can be true

But you gotta find out what to do

I wanna talk to you sonny beau

Gotta woman that lov' me

Feed me beans ev'ry night

Twelve babies look up at me

Wid Big grey hungry eyes

Oh but I just can't complain  
You see ya, said I ain't allowed  
Oh but pretty soon will come a change  
When I gain the biggest mouth  
Uh- Uh- Uh- Uh- Uh- Uh- Uh  
I wanna talk to you  
I wanna talk to you  
Don't feel my world's untrue  
Yeah boy , I wanna talk to you

My world can be true  
I'm a show you what to do  
I wanna talk to you  
Hey don't wanna talk to you  
What you mean by that boy  
I don't wanna talk to you  
I recognize you as being a human being  
I've been listening to you for 250 thousand years  
I called you Steve when you were amongst my friends  
Don't wanna talk to you  
I wanna talk to you  
Too late  
Naw boy  
Too late I can't wait  
Naw  
Don't wanna talk to you  
You can have dinner with me next week  
And after that you can mow my lawn  
Hey don't wanna talk to you naw  
Understand me  
You can't tell me nothin' white man  
Try to understand yourself  
Oh I don't wanna say a word to you  
Do ya understand me  
Naw I don't hear ya - I wanna talk  
Too late  
Naw it ain't  
Can't wait  
Yes, ya can  
Don't wanna talk to you  
Ah Stevie boy  
Hey I don't need you for nothin'  
Come on Stevie let's talk na  
Don't wanna talk to you  
You know I'm ya friend

I'm gonna take my share  
N-N- Naw Stevie you can't do that  
I-I-I give it toya  
Don't wanna talk to you  
Un-Un-Understand me na  
Yeah it's too late  
You-You's my brother  
Can't wait  
You my brother na  
Don't care about your sake  
Ah, ah, ah, ah, ah Stevie  
I don't wanna talk to you  
I guess I can't say N-N-Nothin' to you  
Lordy, Lordy, Lordy, Lordy, Lord  
Naw, Naw, Naw, Naw, Naw  
Naw, Naw, Naw, Naw, Naw
