

Ornaments of Gold (Live Tel Aviv 2011)

Orphaned Land

(Lyrics: Alon M., Kobi F. & parts from the "KORAN" translation)

Deliver the love out from your body
Grieving nights to you, I'm hard as stone
Bodies sweat in the heat of the moon
After you're gone I'll be all alone
Drinking the fluid of love
Eternally my beloved one sweats purple wine
especially when I need a woman like you
To help me to pass the night through
And reaching foreign shores - then you're closing the doors
The research for pleasure brought me to this
Now you're gone I'm as cold as ice
"If ye love God then follow me"
"God will forgive to him your plea"
Lord I die, God hear my cry
You left me all alone
To myself I now mourn
The light of the dark is the morning of the dawn
