Atlantis

The Whispertown 2000

I want love
I want faith
I want faith in everythingI want time to slip away
Let tomorrow be today
I want timeAtlantis, let me in
I will live, free of sin
Here my plea, and bargain
Atlantis, let me inI wanna be the key to unlock it
I wanna be the key, let me in
I wanna be the keyAtlantis, let me in
I will live, free of sin
Learn to swim, grow a fin
Atlantis, let me in
I want love
