What A Friend

Kelly Price

THere is one who stands by me
Promised that He'd never leave
In my valley He, He give me peace
What a friend, what a friend

I am safe from wind and storm,
Safe from sin and unseen harm,
Peace and comfort are in his arms
What a friend, what a friend

[Repeat x2]
What a friend I have in You,
What a love that's pure and true
THere is no one else like You
What a friend, what a friend

Ohhhhhh,
What a friend I have in You,
What a love, what a love ohhhhh
As pure and sure,
But Jesus tHere is no one, ohhhhh
THere no one else like You,
What a friend I've found in You,
One who stick closer than a brotHer,
Lord You even loved me better than my motHer, yeah, yeah, yeah, yeah,
Ohhhhhhh,
Said that I found in You, yeah,
I found, oh oh oh oh, a friend in Jesus, yeah
What friend, oh my what a friend
Ohhh ohhh ohhh ohhh, ohhhhhh
What a friend I have in You
