

# Diamond Eyes

## Hawthorne Heights

To the edge  
Till we all get off  
I will take  
You away with me  
Once and for all  
Time will see us realign  
Diamonds reign across the sky  
Shower me into the same  
Realm  
Calculate, I'll embrace  
Hold on  
(Come with me now)  
Right away  
Outer space with me  
Time will see us realign  
Diamonds reign across the sky  
Shower me into the same  
Realm

Time will see us realign  
Diamonds reign across the sky  
I will lead us to the same  
Realm  
When the coffin shakes  
And the needle breaks  
Come right away with me  
Come on, you're sick?  
Once and for all  
Time will see us realign  
Diamonds reign across the sky  
Shower me into the same  
Realm  
Time will lead us to the same  
Realm  
I will lead us to the same  
Realm
