

# Hey Princess

## Allstar Weekend

Hey Princess  
In a white dress  
Chuck Taylor's  
Got me obsessed  
Wanna see you,  
So where can we hang out? Hey Princess  
In a contest  
You're the queen  
And you own the rest  
Someday we're gonna  
Take the crown Let's go, let go!  
Hold on to me oh, oh!  
Let's go,  
I'mma let you know  
I'll be the one to storm in the castle  
We'll be the two of hearts beating faster  
Everyone, everyone, now  
I'll be the one  
That makes you adore me  
We'll be the two  
The two and the story  
The one that I want  
The one that I want, I found  
It is your kiss,  
Hey Princess! Hey Princess  
Be my guest  
Chase you around, no regrets  
If I catch you I'll never let you down Let's go, let go  
Hold on to me oh, oh  
Let's go, I'mma let you know  
I'll be the one to storm in the castle  
We'll be the two of hearts beating faster  
Everyone, everyone, now  
I'll be the one  
That makes you adore me  
We'll be the two  
The two and the story  
The one that I want  
The one that I want, I found

It's your kiss,  
Hey Princess! What if all the stars align  
Could I ever make you mine  
When the movie ends, we can be the ever after  
You, and I'm just a boy and you're Cinderella  
Still white and blue jeans  
I'm gonna tell you  
Whatever you want, whatever you want, I'm down I'll be the one  
That makes you adore me  
We'll be the two  
The two and the story  
The one that I want  
The one that I want, I found  
I'll be the one to storm in the castle  
We'll be the two of hearts beating faster  
Everyone, everyone, now  
I'll be the one  
That makes you adore me  
We'll be the two  
The two and the story  
The one that I want  
The one that I want, I found  
It's your kiss,  
Hey Princess!
