

You're All I Need

White Lion

I know that she's waiting
For me to say forever
I know that I sometimes
Just don't know how to tell her I want to hold and kiss her
Give her my love, make her believe
She doesn't know
She doesn't know You're all I need beside me, girl
You're all I need to turn my world
You're all I want inside my heart
You're all I need when we're apart
You're all that I need, yeah I know that she's always
There when I need her loving
I know that I've never
Told her how much I love her I see her face before me
I look in her eyes, wondering why
Oh, she doesn't know
She doesn't know
She doesn't know You're all I need beside me, girl
You're all I need to turn my world
You're all I want inside my heart
You're all I need when we're apart Say, say that you'll be there
Whenever I reach out
To feel your hand in mine Stay, stay within my heart
Whenever I'm alone
I'll know that you are there You're all I need beside me, girl
You're all I need to turn my world
You're all I want inside my heart
You're all I need when we're apart You're all I need beside me, girl
You're all I need to turn my world
You're all I want inside my heart
You're all I need when we're apart All that I need
Is for you to believe
All that I need
Is you
