

Steal My Romance

Ghosts on the Radio

Speak to me
I'm hanging on your words.
Give to me
The love that I deserve.
But still you're going to hold your tongue
And torture me by playing dum.
Have you no idea what you've done
And what you're doing still. Every word you say, kills me and steals my romance.
Every vacant stare that you throw at me steals my romance.
No more lies.
No more here nor there.
The time has come
To show me that you care.
But still you're going to turn in me.
And bring me down onto my knees.
Have you no idea just how to please me?
I just want to breathe.
Every word you say, kills me and steals my romance.
Every vacant stare that you throw at me steals my romance.
Never here nor there you just stand there and steal my romance.
Every hallow prayer when you kneel down and steal my romance.
Every word you say...
