

# America the Pitiful

## Dope

Thoughts of prison lying in my bed  
Over visions dosing in my head  
I've already lost much more  
Than you could take from me I've already been much more  
Than you will ever be I don't need it  
You don't want to find me  
I can see that  
You don't even like me You don't even  
You don't wanna fight me  
Man believe it  
You ain't nothin' like me  
Nothin' like me I've already told you once  
God damn stop pushin' me  
I don't wanna go, I don't wanna go  
Come on let me be I don't need it  
You don't want to find me  
I can see that  
You don't even like me You don't even  
You don't wanna fight me  
Man believe it  
You ain't nothin' like me And we pledge allegiance to a flag  
Of a country that is fucked in the head I don't need it  
You don't want to find me  
I can see that  
You don't even like me You don't even  
You don't wanna fight me  
Man believe it  
You ain't nothin' like me Like me  
Like me
