

All I Really Need Is You

Neil Diamond

After all these years
After all these tears between us
 Still I couldn't find
 Someone half as right as you
 And each time I stop to think
 What it is I really need
 Here's what I conclude
All I really need is youJust say what you want to say
You don't have a chance in the world
 Can I, knowing how I've tried
 Still come close to losing you, girl
 When you are my world
 Have I spent so many years
 Trying but in vain to tell you
 Don't you know it's true
All I really need is youHow was I to know
 We'd have ended here
 Where we finally did
 You tied your life to mine
 Once upon a starry night
 And when someone asks for me
 What it is that I believe
 Say, I believe it's true
All I really need is youJust say what you want to say
We don't have a chance in the world
 Can I, knowing how I've tried
 Still come close to losing you, girl
 When you are my world
 Have I spent so many years
 Tryin' but in vain to tell you
 Feelings come and go
 Me, I'm never gonna ever let you go
 Promise you I'm gonna always love you so
 Cause all I really need is you
