Girl

K-Ci & JoJo

OhBaby I was willing to give you all of my love
Baby I was willing to give you all of my time
Just so we could be together

And share a love to last forever, babyAnd thats when you came and said to me

That we should spend some time apart

Why did you go and do that

Baby, I just cant take it

If you dont want me, tell meGirl, if you dont really love me

Just let me know what you see

On the way shouldnt beGirl, if you dont really love me

Just let me go, let me be

So I can find someone to love meBa ba ba ba ba da da

Ba ba ba ba da da

Ba ba ba ba da da

Why did you do this to me?Ba ba ba ba ba da da

Ba ba ba ba da da

Ba ba ba ba da da

Why did you do this to me? What kind of man do you think that I am

To let you play with my heart

And what kind of fool do you take me for baby

I just wont stand for it anymoreGirl, if you dont really love me

Just let me know what you see

On the way shouldnt beGirl, if you dont really love me

Just let me go, let me be

So I can find someone to love meGirl, tell me do you want me

I got to know right now

Tell me right now, girlGirl, I've been your fool

To long for you

And I can't wait, no wayGirl, if you dont really love me

Just let me know what you see

On the way shouldnt beGirl, if you dont really love me

Just let me go, let me be

So I can find someone to love meGirl, if you dont really love me

Just let me know what you see

On the way shouldnt beGirl, if you dont really love me

Just let me go, let me be

So I can find someone to love me
