## **Bella Linda (Re-Recorded / Remastered)**

## **The Grass Roots**

Bella Linda, try and understand

Bella Linda, I'm doin' all I can

Bella Linda, I'm only what I amIt's so hard for me to say

The things I really feel

If I could I'd chase away

The pain your eyes reveal

The pain your eyes reveal

From foolish things I've done

The times that I let you down

And I'll never change, believe me I try

If you go away, you know that I'll die

Oh I love you, please don't say goodbyeBella Linda, try and understand

Bella Linda, I'm doin' all I can

Bella Linda, I'm only what I amWe've had bad times

Through the years

And though I've made you cry

Think of me through tender tears

And try to close your eyes

And try to close your eyes

To thoughtless things I do

The dreams that don't come true

'Cause I'll never change, believe me I try

If you go away, you know that I'll die

Oh I need you, please don't say goodbyeBella Linda, try and understand

Bella Linda, I'm doin' all I can

Bella Linda, I'm only what I amBella Linda, try and understand

Bella Linda, I'm doin' all I can

Bella Linda, I'm only what I amBella Linda
