Demon Cleaner

Sick Porky

I've got the demons in me
I've got to brush them all away
I feel the demons rage
I must clean them all away
Yeah
(Yeah)Inside you see more of me
Cobwebs in the way
That magic, cleaner will
Shine his smile on me
Yeah
(Yeah)I am the Demon Cleaner
Who saves the day
I get the back one
Important, they'll always stay
Yeah
(Yeah)If only one thing that you know
Impostors from the show
They'll try to trick you into
Normal treatmentOh, don't you listen to them say
Shush them all awayI am the Demon Cleaner
The madman [unverified]
I am the freedom bleeder
Standing naked here to sayI'm the only way
I'm the only way
I'm the only way
I'm the only way
