

# Old Whore's Diet

Rufus Wainwright

An old whore's diet  
Gets me going in the morning  
Ain't nothing like it  
Gets me going in the morning  
To say, "I love you"  
Gets me going where I want to Oh, gets me going  
Oh, gets me going in the morning An old whore's diet  
Gets me going in the morning  
Ain't nothing like it  
Gets me going in the morning  
To say, "I love you"  
Gets me going where I want to An old whore's diet  
Gets me going in the morning  
Ain't nothing like it  
Gets me going in the morning  
To say, "I love you"  
Gets me going where I want to Oh, gets me going  
Oh, gets me going  
Oh, gets me going  
Oh, gets me going in the morning An old whore's diet  
Gets me going in the morning  
Ain't nothing like it  
Gets me going in the morning  
To say, "I love you"  
Gets me going where I want to Oh, gets me going  
Oh, gets me going  
Oh, gets me going  
Oh, gets me going in the morning Hell, either here or hell will do  
Either here or hell will employ you  
Suicidal assistance  
An old whore's diet
