

Way Back Into Love

Richard Poon

I've been living with a shadow over head
I've been sleeping with a cloud above my bed
I've been lonely for so long
Trapped in the past i just can't seem to move on

I've been hiding all my hopes and dreams away
Just in case i ever need them again someday
I've been setting aside time
To clear a little space in the corners of my mind

(chorus)

All i wanna do is find a way back into love
I can't make it through without a way back into love

ooh

I've been watching but the sun refuses to shine
I've been searching but i just don't see the sign's
I know that it's out there
There's got to be something for my soul somewhere

I've been looking for someone to shed some light
Not just somebody just to get through the night
I could use some direction
And I'm open to your suggestions

(chorus)

All i wanna do is find a way back into love
I can't make it through without a way back into love
And if i open my heart to you
I guess im hoping you will be there for me till the end

(music)

ooooohhhh.
ooooohhhh,
ooooohhhh

There are times when i don't know if its real
Or if anybody feels the way i feel
I need inspiration

Not just another negotiation

(chorus)

All i wanna do is find a way back into love
I can't make it through without a way back into love
And if i open my heart again
I guess I'm hoping you'll be there for me till the end

All I wanna do is find a way back into love
I can't make it through without a way back into love

And if I open my heart to you
I'm hoping you will show me what to do

And if you help me start again
You know I'll be there for you till the end

ooooohhhh

ooooohhhh

woooooooooohhhhhhhhhhh

ooooohhhh
