Cinderella

i5

When I was just a little girl
My mama used to tuck me into bed
And she'd read me a story
It always was about a princess in distress
And how a guy would save her
And end up with the gloryI'd lie in bed and think about
The person that I wanted to be
Then one day I realized
The fairy tale life wasn't for meI don't wanna be like Cinderella
Sittin' in a dark old dusty cellar
Waiting for somebody to come and set me free
I don't wanna be like Snow White
Waiting for a handsome prince to come and save me
On a horse of white unless we're ridin' side by side
Don't wanna depend on no one else
I'd rather rescue myselfSome day I'm gonna find someone
Who wants me body, soul, heart and mind
Who's not afraid to show that he loves me
Somebody who will understand
I'm happy just the way I am
Don't need nobody taking care of meI will be there for him just
As long as he will be there for me
Whenever I give myself
That it has got to be an equal seatI don't wanna be like Cinderella
Sittin' in a dark old dusty cellar
Waiting for somebody to come and set me free no no
I don't wanna be like Snow White
Waiting for a handsome prince to come and save me
On a horse of white unless we're ridin' side by side
Don't wanna depend on no one else
I'd rather rescue myselfI can slay my own dragons
I can dream my own dreams
My knight in shining armor, is me
So, I'm gonna set me freeI don't wanna be like Cinderella
Sittin' in a dark old dusty cellar
Waiting for somebody to come and set me free
I don't wanna be like Snow White
Waiting for a handsome prince to come and save me
On a horse of white unless we're ridin' side by sideI don't wanna be like Cinderella

Sittin' in a dark old dusty cellar
Waiting for somebody to come and set me free
I don't wanna be like Snow White
Waiting for a handsome prince to come and save me
On a horse of white unless we're ridin' side by side
Don't wanna depend on no one else
I'd rather rescue myselfI don't wanna be like Cinderella
Sittin' in a dark old dusty cellar
Waiting for somebody to come and set me free no no
I don't wanna be like Snow White
Waiting for a handsome prince to come and save me
On a horse of white unless we're ridin' side by side
Don't wanna depend on no one else
I'd rather rescue myself
