Do You Feel at Home

Mowbeck

Chasing bodies in the dark
An automatic start to where were heading
The way you move says youre on edge
Trapped inside that lonely head until the morning
Do you, do you feel at home?
Do you, do you feel at home?
Erratic fever in your brain
All the words you cant explain are being spoken
You said 'are we moving too fast?'
I think youre living in the past
Romance is broken
What are you dreaming of? (turn the daylight off)
What are you dreaming of? (when your visions cropped)
What are you dreaming of (make this feeling stop)
what are you dreaming of?
Why dont you tell me?
Do you, do you feel at home?
Do you, do you feel at home?
What will it take to get you in the zone?
Do you, do you feel at home?
Do you feel at home?
Do you feel at home?
Do you feel at home?
Do you feel at home?
