Brick

Circle Jerks

murderous liars hide behind lines of sheep
smiling killers find it easy to sleep
collecting their fortunes at the end of the week
it's sixty five on a one way streetnow i've got a brick for your windowhighrise hogwash dealt to freeze dried stares
talk 's expensive listening nobody cares
cram those bank account's stocks and sharesnow i've got a brick for your window
now i've got a brick for your windowwhen individualism dies
everything's the same
you can kiss my ass to the state machine!good versus evil's such a bogus plot
things aren't what they seem
i've got a seven and a half for your tv screen!herds of paper eaters licking feet
static babble now it's starting to tweak
company kept is just a flock of creeps
alienate me now i feel like a freaknow i've got a brick for your window
yeah! i've got a brick for your windowgood versus evil's such a bogus plot
things aren't what they seem
now i've got a seven and a half for your tv screen!!
