

# Realize

Colbie Caillat

Take time to realize  
That your warmth is crashing down on in  
Take time to realize that I am on your side  
Didn't I, didn't I tell you  
But I can't spell it out for you  
No, it's never gonna be that simple  
No, I can't spell it out for you  
If you just realize what I just realized  
Then we'd be perfect for each other and we'll never find another  
Just realize what I just realized  
We'd never have to wonder if we missed out on each other now  
Take time to realize, oh, oh, I'm on your side  
Didn't I, didn't I tell you  
Take time to realize, this all can pass you by  
Didn't I tell you  
But I can't spell it out for you  
No, it's never gonna be that simple  
No, I can't spell it out for you  
If you just realize what I just realized  
Then we'd be perfect for each other and we'll never find another  
Just realize what I just realized  
We'd never have to wonder if we missed out on each other  
But, it's not all the same, no, it's never the same  
If you don't feel it to, if you meet me half way  
If you would meet me half way  
It could be the same for you  
If you just realize what I just realized  
Then we'd be perfect for each other and we'll never find another  
Just realize what I just realized  
We'd never have to wonder  
Just realize what I just realized  
If you just realize what I just realized  
Ooh, ooh  
Missed out on each other now  
Missed out on each other now, yeah  
Realize, realize, realize, realize, oh
