Smokeless Zone

Xtc

I'm living in my smokeless zone
My house is not a happy home
I got to do something 'fore I kick the bucket
I'm living in this smokeless zoneI clean my dusty window sills
But everything I grow it kills
I don't want to stay in this street any longer
I'm living in this smokeless zoneEngland's green, once so pleasant land
Living on a time bomb, yeah
The whole damn place
Is gonna turn to sandBah, bah, bah
Bah, bah, bah
Bah, bah, bah
Bah, bah, bahI'm living in my smokeless zone
My house is not a happy home
I got to do something 'fore I kick the bucket
I'm living in this smokeless zoneI cough upon my wheezy chest
My Penicillin does its best
There's only one cure for an unhealthy body
Get out of this smokeless zoneEngland's green, once so pleasant land
Living on a time bomb, yeah
The whole damn place
Is gonna turn to sandBah, bah, bah
Bah, bah, bah
Bah, bah, bah
Bah, bah, bah
