

# There Must Be An Angel

## No Angels

No-one on earth could feel like this  
I'm thrown and overblown with bliss  
    There must be an angel  
    Playing with my heart  
I walk into an empty room  
And suddenly my heart goes "boom"  
    It's an orchestra of angels  
And they're playing with my heart  
    Must be talking to an angel  
    Must be talking to an angel  
    Must be talking to an angel  
    Must be talking to an angel  
    Must be talking to an angel  
No-one on earth could feel like this  
I'm thrown and overblown with bliss  
    There must be an angel  
    Playing with my heart  
And when I think that I'm alone  
It seems there's more of us at home  
    It's a multitude of angels  
And they're playing with my heart  
    Must be talking to an angel  
    Must be talking to an angel  
    Must be talking to an angel  
    Must be talking to an angel  
  
    Must be talking to an angel  
    Must be talking to an angel  
    I must be hallucinating  
    Watching angels celebrating  
    Could this be reactivating  
    All my senses dislocating?  
This must be a strange deception  
    By celestial intervention  
    Leavin' me the recollection  
    Of your heavenly connection  
    I walk into an empty room  
And suddenly my heart goes "boom"

It's an orchestra of angels  
And they're playing with my heart  
Must be talking to an angel  
Must be talking to an angel  
Must be talking to an angel  
Must be talking to an angel  
Must be talking to an angel  
Must be talking to an angel
