

There Must Be An Angel

No Angels

No-one on earth could feel like this
I'm thrown and overblown with bliss
 There must be an angel
 Playing with my heart
I walk into an empty room
And suddenly my heart goes "boom"
 It's an orchestra of angels
And they're playing with my heart
 Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel
No-one on earth could feel like this
I'm thrown and overblown with bliss
 There must be an angel
 Playing with my heart
And when I think that I'm alone
It seems there's more of us at home
 It's a multitude of angels
And they're playing with my heart
 Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel

 Must be talking to an angel
 Must be talking to an angel
 I must be hallucinating
 Watching angels celebrating
 Could this be reactivating
 All my senses dislocating?
This must be a strange deception
 By celestial intervention
 Leavin' me the recollection
 Of your heavenly connection
 I walk into an empty room
And suddenly my heart goes "boom"

It's an orchestra of angels
And they're playing with my heart
Must be talking to an angel
Must be talking to an angel
Must be talking to an angel
Must be talking to an angel
Must be talking to an angel
Must be talking to an angel
