

The Fountain of Lamneth

Rush

I am born
I am me
I am new
I am freeLook at me
I am young
Sight unseen
Life unsungMy eyes have just been opened and they're open very wide
Images around me don't identify inside
Just one blur I recognize the one that soothes and feeds
My way of life is easy and as simple are my needsYet my eyes are drawn toward the mountain in the east
Fascinates and captivates gives my heart no peace
The mountain holds the sunrise in the prison of the night
Till burstin' forth from rocky chains the valley floods with lightLiving one long sunrise for to me all things are
new
I've never watched the sky grow pale or strolled through fields of dew
I do not know of dust to dust, I live from breath to breath
I live to climb that mountain to the Fountain of LamnethYet my eyes are drawn toward the mountain in the east
Fascinates and captivates and gives my heart no peace
The mountain holds the sunrise in the prison of the night
Till burstin' forth from rocky chains the valley floods with lightStay, go
Work, no
Learn, live
Earn, give
Stay or fight?
What's right?
ListenCrying back to consciousness
The coldness grips my skin
The sky is pitching violently
Drawn by shrieking windsSea spray blurs my vision
Waves roll by so fast
Save my ship of freedom
I'm lashed helpless to the mastRemembering when first I held
The wheel in my own hands
I took the helm so eagerly
And sailed for distant landsBut now the sea's too heavy
And I just, I just don't understand
Why must my crew desert me?
When I need, I need a guiding handCall out for direction and there's no one there to steer
Shout out for salvation but there's no one there to hear

Cry out supplication for the maelstrom is near
Scream out desperation but no one cares to hear
The whiteness of confusion
Is unfolding from my mind
I stare around in wonder
Have I left my life behind? I catch the scent of ambergris
And turn my head, surprised
My gaze is caught and held and I
Am helpless, mesmerized Panacea, liquid grace
Oh, let me touch your fragile face
Enchantment falls around me
And I know I cannot leave Here's a meaning for my life
A shelter from the storm
Pacify my troubles with
Her body, soft and warm Naked in our unity
A smile for every tear
Gentle hands that promise me
Comfort through the years Yet I know I must be gone
Before the light of dawn Panacea, passion pure
I can't resist your gentle lure
My heart will lie beside you
And my wandering body grieves Another endless day
Silhouettes of gray
Another glass of wine
Drink with eyes that shine
Today's without that chill at morning
Long nights time out of mind Draw another goblet from the cask of forty three
Crimson misty memory, hazy glimpse of me
Give me back my wonder I've somethin' more to give
I guess it doesn't matter, there's not much more to
Not much more to live Another foggy dawn
The mountain almost gone
Another doubtful fear
The road is not so clear
My soul grows ever weary
And the end is ever near Draw another goblet from the cask of forty three
Crimson misty memory, hazy glimpse of me
Give me back my wonder I've somethin' more to give
I guess it doesn't matter, there's not much more to
Not much more to live Look, the mist is rising and the sun is peaking through
See the steps grow lighter as I reach their final few
Hear the dancing waters, I must be drawing near
Feel, my heart is pounding with embattled hope and fear Now, at last I fall before the Fountain of Lamneth
I thought I would be singing but I'm tired out of breath
Many journeys end here but the secrets told the same
Life is just a candle and a dream must give it flame The key, the end, the answer, stripped of their disguise

Still it's all confusion and tears spring to my eyes
Though I've reached a signpost, it's really not the end
Like Old Sol behind the mountain, I'll be comin' up again I'm in motion
I am still
I am crying
I am still
I'm together
I'm apart
I'm forever
At the start
Still I am
