

# Chocolate City

## Parliament

Advisory - the following lyrics contain explicit language:

Uh, what's happening, CC? They still call it the White House  
But that's a temporary condition, too, can you dig it, CC?  
To each his reach and if I don't cop, it ain't mine to have  
But I'll be reachin' for ya, 'cause I love ya, CC, right on  
There's a lot of chocolate cities all around  
We've got Newark, we've got Gary  
Somebody told me we got L.A.  
And we're workin' on Atlanta, but you're the capital, CC  
Gainin' on ya, get down  
Gainin' on ya, movin' in on ya  
Gainin' on ya, can't you feel my breath, heh  
Gainin' on ya, all up around your neck, heh heh  
Hey, CC, they say your jivin' game, it can't be changed  
But on the positive side, you're my piece of the rock  
And I love you, CC, can you dig it?  
Hey, uh, we didn't get our forty acres and a mule  
But we did get you, CC, yeah  
Gainin' on ya, movin' in and around ya  
God bless CC and its vanilla suburbs  
Gainin' on ya, gainin' on ya  
Gainin' on ya, gainin' on ya  
What's happening, blood?  
Gainin' on ya, gainin' on ya  
Gainin' on ya, gainin' on ya  
Yeah, what's happenin', Black?  
Brother Black, blood even  
Yeah, ha, just funnin', gettin' down  
Ah, blood to blood, ah, players to ladies  
The last percentage count was eighty  
You don't need the bullet when you got the ballot  
Are you up for the down stroke, CC?  
Chocolate City, are you with me out there?  
And when they come to march on ya  
Tell 'em to make sure they got their James Brown pass  
And don't be surprised if Ali is in the White House  
Reverend Ike, Secretary of the Treasure  
Richard Pryor, Minister of Education  
Stevie Wonder, Secretary of Fine Arts  
And Miss Aretha Franklin, the First Lady  
Are you out there, CC? A chocolate city is no dream  
It's my piece of the rock and I dig you, CC  
God bless Chocolate City and its vanilla suburbs

Can y'all get to that?Easin' in, gainin' on ya  
In yo' stuff, gainin' on ya  
Huh, you can't get enoughGainin' on ya, gainin' on ya  
Be mo' funk, be mo' funk  
Gainin' on ya, can we funk you too?  
Right on, Chocolate CityYeah, get deep, real deep  
Hey, be mo' funk  
Mmm, heh  
Get deep, too bad  
We just got New York, I'm told
