

# Dumb Reminders

## No Use For A Name

i heard the message  
then i rang it off the hook  
i didn't get you till 1 am  
who was wrong and who was right  
and this distance caused a fight  
now i'm ready to give in

honestly  
i'd give anything  
to be with you  
right now

this town is full of dumb reminders  
having a good time can't you tell  
hang up the phone and then i come back down  
miss you i hope you're doing well

i'm used to waiting  
what's a voice without a face  
i think i'm dying without you here  
so i drink myself to sleep  
and then i hide beneath the sheet  
and i try to disappear

i get up  
every single time  
cuz you keep me  
alive

this town is full of dumb reminders  
how far ahead from you in miles  
if i could get one time as take it down  
maybe then i could see you

this town is full of dumb reminders  
having a good time can't you tell  
hang up the phone and then i come back down  
miss you i hope you're doing well
