

The More You Ignore Me, the Closer I Get

[Morrissey](#)

The more you ignore me, the closer I get
You're wasting your time
The more you ignore me, the closer I get
You're wasting your time I will be in the bar with my head on the bar
I am now a central part of your mind's landscape
Whether you care or do not
Yeah, I've made up your mind The more you ignore me, the closer I get
You're wasting your time
The more you ignore me, the closer I get
You're wasting your time Beware, I bear more grudges than lonely high court judges
When you sleep, I will creep into your thoughts like a bad debt
That you can't pay, take the easy way and give in
Yeah, and let me in, oh let me in, oh let me in It's war, it's war, it's war, it's war, it's war
War, war, war, war Oh, let me in, oh, the closer I get
Ah, you're asking for it
Ah, the closer I get
Oh, the closer I
