

# Still Not Over You

Mike Posner

I never knew  
I never knew that everything was falling through  
That after all these years I'd still be calling you  
To try to sell you on the thought of coming back to me  
Baby girl, yeah, you were my first  
But you've always been my favorite girl  
And I just so happened to break up with my latest girl  
So I think you should come over and be my latest girl  
Latest girl  
All I know is I still feel the same way  
That I felt so long ago  
And even though I fuck other girls  
Now I don't want them, so  
We can pretend that were right back in 2000 yo  
2000 yo, hey, hey  
Everybody knows I'm still not over you  
Not over you  
And every time I lose a girlfriend  
I call you, yeah, I call you  
Walk with me, I made a few more beats  
Since the last time you done talk to me  
I got a few more connects in the game  
But that's not all I need  
Remember back in the day  
You had a massive phone bill  
From calling me  
Why you stop calling me?  
Remember, babe  
I wrote you all those love notes in 7th grade  
And I hope you threw those out  
When we went out separate ways  
'Cause I don't want to see them up for sale on eBay  
Don't put them on eBay, hey, hey  
Everybody knows I'm still not over you  
Not over you  
And every time I lose a girlfriend  
I call you, yeah, I call you  
You were my first girl  
So won't you be my last girl?

Hey, first girl  
Won't you be my last girl?  
You were my first girl  
So won't you be my last girl?  
Hey, first girl  
Won't you be my last girl?  
Everybody know I'm still not over you  
Not over you  
And every time I lose a girlfriend  
I call you, yeah, I call you
