

# Rapid Fire

## Vader

Pounding the world  
Like a battering ram  
Forging the furnace  
For the final grand slamChopping away at the source  
Soon the course will be done  
Leaving a trail of destruction  
That's second to noneHammering anvils  
Screaming muscle and might  
Shattering blows  
Crashing brow beating fightFast devastating  
And desolating the curse  
Blasting the cannons of truth  
Through each man of this earthWielding the axe  
Comes the one culmination  
That's always seemed certain  
To bring down the curtain on greedSifting the good from the bad  
It's the age for the rage  
For the dogs which must fall  
To the just and be freeNow grate for the vandals  
Who trampled and sampled  
Till this place's conditioned  
Brought forth demolition to warThe slipping and sliding  
Corrosive subsiding  
That withered and vained  
Till the world seemed all drained fills the bayYeahPounding the world  
Like a battering ram  
Forging the furnace  
For the final grand slamChopping away at the source  
Soon the course will be done  
Leaving a trail of destruction  
That's second to noneSecond to none
