

# Drinking with Dolly

Stephanie Quayle

Sometimes I think I was born too late  
Came into the world in the wrong decade  
I swear if I could  
I'd go back to the good ol' days  
Buy me a '69 cadillac  
A Coke in a bottle and a new 8 track  
And sing every word of Harper Valley PTA  
Oh oh if I could hit rewind I'd go drinking with Dolly  
After the Opry  
Pour one for Tammy too  
Put on my rhinestones  
Paint up my nails  
Kick up my dancing shoes  
Hey there Loretta  
Put a quarter in the jukebox  
We'll sing along with you  
And talk about men  
Cuz that's what women do  
Share a few secrets  
And a cigarette  
Say a few things that we might regret  
Tell it like it is 3 chords  
And the cold hard truth  
I bet they'd have a little advice to share  
How to tame my man  
And tack up my hair  
Cuz you might as well look good  
While you're out paying your dues  
Oh oh if I could turn back time  
Oh oh I bet we'd have a real good time  
Drinking with Dolly  
After the Opry  
Pour one for Tammy too  
Put on my rhinestones  
Paint up my nails  
Kick up my dancing shoes  
Hey there Loretta  
Put a quarter in the jukebox  
We'll sing along with you  
We'll raise up a glass  
Wish Patsy could be here too  
To talk about men

Cuz that's what women do  
Yes they do
