

Rubberneckin' (Paul Oakenfold remix)

Elvis Presley

Stop, look, and listen, baby--that's my philosophy
It's called rubberneckin', baby; well, that's all right with me
Stop, look, and listen, baby--that's my philosophy
It's called rubberneckin', baby, but that's all right with me
People say I'm wasting time, but they don't really know
I like what I see and I see what I like; it gives me such a glow
First thing in the morning, last thing at night
I look--stare everywhere and see everything inside
Hey, hey, hey
Stop, look, and listen, baby--that's my philosophy
It's called rubberneckin', baby; well, that's all right with me
Stop, look, and listen, baby--that's my philosophy
It's called rubberneckin', baby, but that's all right with me
Some people say I'm wasting time, but they don't really know
I see what I like and I like what I see; it gives me such a glow
Sittin' on the back porch all by myself
Along came Mary Jane with somebody else
Well, stop, look, and listen, baby--that's my philosophy
It's called rubberneckin', baby, but that's all right with me
Some people say I'm wasting time, yeah, but I don't really care
I like what I see, I see what I like, yeah; it gives me such a glow
Sittin' on the back porch all by myself
Along came Mary Jane with somebody else
Well, stop, look, and listen, baby--that's my philosophy
It's called rubberneckin', baby, but that's all right with me
Stop, look, and listen, baby--that's my philosophy
Stop, look, and listen, baby--that's my philosophy
Stop, look, and listen, baby--that's my philosophy
