

Let's Do the Boogie

B.B. King

Well, some people love the mambo
And so do I
The dance is kinda hard
So I don't think I'll try I'll do the boogie
Yes, I'll do the boogie
Well, I'll do the boogie
'Cause I think it's much easier to do Well, some people swing fast
Some swing it slow
It just knocks me out
To see my baby on the floor I love to see her boogie
Yeah, I'd love to see her boogie
Well, I love to see her boogie
I think I'll try it a little bit too
[Incomprehensible], let's boogie Well, I swing her way out
Then pull her in close
I'm tellin' you, boys
That upset me the most I love to see her boogie
Yeah, I love to see her boogie
Well, it knocks me out to see her boogie
So I think I'll try it a little bit too
