Everywhere We Go (ft. Nickie Minshell)

Scotty Dynamo

They see we're on our way and they already know
We do it big all day, we're the stars of the show
Everywhere we go, everywhere we go, Everywhere we goJump! Jump! What now?
Haters in the crowd tryna bring me down
So mad, wanna cop my style
Better get in where you fit in cause I won't stop now
So quit the frontin' cause I know just what you like
If they isn't hatin' on you, you ain't doin' nothin' right
We hear them talkin' on the low
Everybody wanna know
How we get the party started
E-e-everywhere We Go
All this fame gets kinda loco, lose some friends and then you gain some
Always keep it thorough and remember where you came from
They see we're on our way and they already know
We do it big all day, we're the stars of the show
Everywhere we go, everywhere we go, Everywhere we goWhat! What! What's poppin'?Everywhere we go we get the club rockin'
Ain't no crew go hard as us
Feel the bass in your trunk t-turn it up
It's time to tear the streets up, Toronto to Ibiza
It's hard to hear them hatin' when you're 30 thousand feet up
And now we do it like the pro's, everybody wanna know
How we get the party started e-e-everywhere we go
All this fame gets kinda loco lose some friends and then you gain some
Always keep it thorough and remember where you came fromThey see we're on our way and they already know
We do it big all day, we're the stars of the show
Everywhere we go, everywhere we go, Everywhere we go
Everywhere we go, Every-every everywhere we go
E-e-e-everywhere we go, e-e-e-everywhere we go
We hear them talkin' on the low, everybody wanna know
H-how we get the party started e-e-everywhere we goThey see we're on our way and they already know
We do it big all day, we're the stars of the show
Everywhere we go, everywhere we go, Everywhere we go
