Don't Take Your Love Away

Mario Winans

Don't take your love away, oh babyComin' in, you know you're adored
[Incomprehensible] baby
Sayin' your love has got me comin' back for more
There are no words that can explain, baby'Cause you got me goin' through these changes
When I'm not with you
Can't get my mind off the things that you doThere are times when I feel that this is just a dream
So work your magic on me
It makes me wanna scream and sayDon't take your love away, baby
Don't deny the love you feel for me
Don't take your love away, baby
Your love is exactly what I need, babyGoin' over and over again
Through them thoughts in my mind, baby
Said, how much better I would feel
If you were with me all the time, girl'Cause you got me goin' through these changes
When I'm not with you
Can't get my mind off the things that you doThere are times when I feel that this is just a dream
So work your magic on me
It makes me wanna scream and sayDon't take your love away, baby
Don't deny the love you feel for me
Don't take your love away, baby
Your love is exactly what I need, babyDon't take your love away, baby
Don't deny the love you feel for me
Don't take your love away, baby
Your love is exactly what I need, babyBaby, don't go away from me
I need your love so bad, it's for real
I will do all I can everyday
(Your love is exactly what I need, baby)
Just don't take your love awayDon't take your love away
(Baby, don't go away from me)
Don't deny the love you feel for me
(I need your love so bad, it's for real)
Don't take your love away, baby
(I will do all I can everyday)
Your love is exactly what I need
