

Last Thing On My Mind (Wip't Up In The Disco Mix)

Steps

There was something in your voice
That was telling me don't be too sure
Arousing my suspicions
I have never felt before I thought we had it made
I thought you'll never go away But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was every planning for
This was the last thing on my mind When I looked into your eyes
There was something you weren't telling me
But in my confusion I just couldn't see If there was any doubt
I thought we would work it out But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was every planning for
This was the last thing on my mind There was something in your voice
That was telling me don't be too sure
Arousing my suspicions
I have never felt before But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was every planning for
This was the last thing on my mind
