

God Chaser

William Murphy

Im a God chaser
God chaser
Because I love You,
Ill chase You forever
[Repeat x 2]Im a God chaser
God chaser
Because I love You,
Ill chase You forever and everIm a God chaser
God chaser
Because I love You,
Ill chase You forever
[Repeat x 11]Ill chase You in the morning
Ill chase You in the evening time
My heart is desperate for You
My hunger exceeds my reach
[Repeat x 2]Im a God chaser
God chaser
Because I love You,
Ill chase You forever
[Repeat x 2]Ill chase You in the morning
Ill chase You in the evening time
My heart is desperate for You
My hunger exceeds my reach
[Repeat x 2]Im a God chaser
God chaser
Because I love You,
Ill chase You forever
[Repeat x 2]I chase God
I want God
Because I love You,
Ill chase You forever
[Repeat x 5]Im a God chaser!
